Awareness drive on Eradication of Polythene

Date: 19.02.2018

Topic: Cleanliness Drive

Total Participant: 50

Volunteers of the National Service Scheme of Dharmanand Unival Government Degree College, arendra Nagar, made the villagers aware of the ill effects of polythene in Bakirana and Kilwani villages on 19th February 2018. During this, the speakers told that the complete ban of polythene is necessary for environmental protection. Principal in-charge of the college, Dr. Sapna Kashyap said that the pollution caused by polythene is very harmful for humans as well as nature. Wildlife is also falling prey to it, and in this case it is necessary to deal with it. That's why it is the responsibility of all classes of people to create awareness about polythene eradication. Program Officer Dr. Aardhana Saxena said that polythene has emerged as a major threat to the environment, and due to its non-degradation, the problem of polythene has taken a serious form. Everyone will have to take a pledge not to use polythene to protect and preserve the environment. During this, the volunteers went door-to-door to make the villagers aware of the harms caused by the use of polythene. Professors and students were also present on this occasion.
